FRENCH LICK RESORT®

FRENCH LICK & WEST BADEN · INDIANA

Dogs Welcome

We understand that dogs are more than just companions; they're a part of your family. That's why we are happy to provide pet-friendly accommodations at all resort hotels. In addition, here at West Baden Springs Hotel we offer an in-room doggie dining menu for your four-legged friend!

A complete menu is included on the back of this card.

Lucy's Bark Park

Lucy's Bark Park is a green space just for you and your furry traveling companion. Located behind the West Baden Springs Hotel outdoor pool, the park is open daily for dogs that are at least 4 months old, up to date on all required pet vaccinations, and are spayed or neutered.

The French Lick Resort Pet Policy:

- Our pet policy is only extended to dogs at this time. We welcome dogs up to 60 pounds in weight.
- A \$150 nonrefundable pet fee per stay will be applied. At the time of booking an overnight reservation, guests must disclose their plan to arrive at the hotel with a dog. Failure to inform the reservationist or a front desk associate about bringing a pet will result in the guestroom account being charged \$150 in addition to the standard \$150 pet fee.
- The pet fee and weight limit do not apply to service animals.
- Pet-friendly rooms are limited.
- Dogs are not permitted in balcony rooms.
- Dogs are not permitted to be in food and beverage outlets, pool areas, fitness centers, spas or on furniture in public spaces.
- Dogs must be on leash or in a carrier when in public areas.
- Dogs are not to be left unattended at any time, unless they are kept in a travel carrier or crate.
- Dog owners must provide a cell phone number to be on file at the front desk.
- A maximum of two dogs are allowed. If additional dogs are discovered in the guestroom, an additional \$100 fee per dog will be charged to the guestroom account.
- Dog owners are responsible for any damage or disruption to other guests or associates that dogs may cause. If deep cleaning is necessary because of the dog, an appropriate fee will be added to the guestroom account. Guests will also be accountable for any complaints from other guests resulting in financial loss to the resort (i.e. restitution to disturbed guests or other incidents).
