The Pete Dye Course

Sketched on a napkin and carved into history by Hall of Fame architect Pete Dye, this course has earned widespread acclaim as one of the top courses in Indiana and the Midwest. With its narrow, immaculate fairways, three man-made lakes and “volcano” bunkers all accentuated by sharp elevation change, The Pete Dye Course treats you to unforgettable challenges and impressive 40-mile panoramic views of the southern Indiana countryside.

The Donald Ross Course

A day on The Donald Ross Course allows you to play the game the way it was meant to be played. This par-70, 7,000-yard layout underwent a \$5 million renovation in 2007 to restore it back to Ross' original vision, complete with 80 steep-faced pure Ross bunkers and undulating greens that can challenge the best golfer. The Ross Course has routinely been named among Indiana's top public courses.

The Valley Links Course

Valley Links Course is a 9-hole, fully walkable conversion of the 18-hole Tom Bendelow design that was original to French Lick Springs Hotel. Experienced golfers are certain to take notice of the championship tee length of nearly 3,500 yards. Valley Links is open year-round, and also features a driving range for extra work before, after or between rounds.

Youth-friendly tee markers also make this a great place for kids to play alongside mom and dad. Golfers 12 and younger can play for free and age 13-18 can play for half price (with accompanying adult), and youth can also take lessons from our PGA pros at reduced rates.

Golf Lessons and Services

Whatever your golf game needs, we've got you covered. At Valley Links, our acclaimed teaching professionals can boost your game to the next level, whether it's an individual lesson, a one-day quick recovery session, or more in-depth instruction in our Golf Academy. As a Callaway Select Fit destination, we can professionally fit you for your next set of clubs. As a bonus, we also offer regripping and club repair.

Take in the beauty of the resort's nature-filled landscape while listening to the gentle clip-clop of our carriage horses. Available seasonally, and can also be arranged for special occasions.

All aboard: Rides are free on our historic rail trolley.

Like a lot of the French Lick Resort treasures, the trolley's history spans many decades. It started in 1903 when it cost a nickel to ride the trolley from West Baden Springs Hotel into downtown French Lick. In 2014, trolley service returned more than 100 years after it was first launched.

Today, the trolley makes regular runs between both hotels throughout the day. Trolley stations are located adjacent to French Lick Casino, and on the front brick drive outside West Baden Springs Hotel.

Sip and Savor

Signature events come to life inside the sprawling atrium and under the iconic dome at West Baden Springs Hotel. Get a taste of the finer things in life at Afternoon Tea (offered every Saturday) with finger sandwiches, house-made pastries, charming live music and a tasteful selection of teas.
