Spa FAQs

Should I make a reservation?

We strongly recommend reserving your spa appointments when booking your hotel reservation, or at least 30 days in advance. Requests for a male or female therapist may be made but are not guaranteed. We will make every effort to honor your request, based on staff availability. Please call (855) 819-0408 to schedule your appointment.

What is the cancellation policy?

Please notify the Spa reservations team 24 hours prior to your scheduled appointment to avoid being charged the full value of the appointment.

Is there a minimum age?

Guests must be 18 years or older to receive treatment.

When should I arrive?

Please arrive 20 minutes before your scheduled appointment time. We ask that you silence cell phones and other devices before entering the spa.

What if I am late for my appointment?

Arriving late will shorten the length of your treatment. The full cost of your treatment will be applied.

What do I wear?

You are welcome in your normal attire. We provide a robe and slippers for you to change into before your service.

Is there a sauna?

There is a dry sauna in the men's and women's tranquility rooms. You will have access directly before and after your treatment.

May I wear jewelry during my treatments?

Please remove jewelry before treatment, and leave all valuables in your room. The spa does not assume responsibility for valuables.

Are there any conditions that would keep me from enjoying my spa treatment?

Please report any medical conditions including high blood pressure, allergies, surgeries or pregnancy. Services may not be appropriate for certain conditions.

What services may I receive while expecting?

Nail services, relaxation facials and body scrubs are offered for our guests who are expecting.
